

## Andorran double-glass module manufacturer

### Overview

Our industry-leading module power contributes to a conversion efficiency of 23. Two-sided double-glazed modules, symmetrical structural design, low risk of hidden cracks. is a Greek company founded in 2007, with major stakeholders in and the United States of America. Its headquarters is in, Greece, and its production facility is in. The company's primary product was and modules, made of thin-film. Explore our comprehensive photovoltaic and solar energy storage solutions including photovoltaic power generation, solar energy systems, lithium battery storage, photovoltaic containers, BESS systems, commercial storage, industrial storage, PV inverters, storage batteries, and energy storage. The JA Solar JAM66D45-625/LB is a high-performance 625 W solar module designed to maximize energy yield in commercial and utility-scale projects. 1% efficiency and superior. DAS Solar is always a faithful companion where there is light. All pv modules follow the standard of TUV, CE, ISO9001, ISO14001, ETL, UL,,etc. Fast delivery, carton box and pallet packing,accept OEM,ODM service.
