

China single circuit breaker in Johannesburg

Overview

Check our wide range of electric circuit breakers and switches designed for routing or interrupting current in the electrical distribution circuit, automatically or manually. Our products are both produced/manufactured locally and internationally and are fully compliant with recognized local and international safety standards and specifications. We are constantly striving to offer our client the best price in the market. With branches in Johannesburg, Durban & Pretoria. But here's what the catalog doesn't tell you: only 4 of China's top 10 circuit breaker manufacturers actually hold UL489 certification for North American export. Another 3 have CE marking but fail IEC 60947-2 third-party verification. Who makes the best circuit breaker?

With a respected image over the years, Schneider Electric is considerably at. Stay up-to-date! CBI Astute Range webinar and vodcasts!
