

Chint photovoltaic bracket column manufacturer

Overview

XinTu (Jiaxing) Digital Technology Co., a subsidiary of CHINT ANNENG CHINT (parent company of CHINT PVSTAR), has successfully obtained the EU EN 1090 certification for steel structure products, earning the CE mark — a key qualification for entering high-end international. XinTu (Jiaxing) Digital Technology Co. All above our solar products have been approved by the TUV, TCT, CE, UL for EU and US standards. Established in 2010. Since entering the new energy sector in 2006, CHINT has developed comprehensive capabilities across the entire industry chain. This includes smart manufacturing of core photovoltaic components, power station development, EPC construction, storage and electrical system support, and new energy asset. More and more individual users have chosen household photovoltaics system. New parts will reduce weight and speed up the work of assembly. FASTscrew can produce the right parts to simplify your process. FST100 wurde als. CHINT Global is a world's prominent Smart Energy Solution Provider to act in accordance with Modern Energy, Intelligent Manufacturing and Digital Technology.

Article Content

China Photovoltaic Bracket System Manufacturers, Photovoltaic ...

Our company specializes in manufacturing standard and non-standard mechanical parts, photovoltaic mounting brackets, seismic support systems, and providing customized processing services for ...
