

Companion 40ah power station in brisbane

Overview

The Companion Rover Power Range features portable power stations for outdoor adventures, off-grid living, and emergencies. From the lightweight Rover Lite to the powerful Rover 1300, these lithium-ion units offer reliable performance, multiple charging options, and versatile outputs. If you dream of staying off-grid for longer but still need to keep things charged, the Rover Lithium 40Ah Power Station from Companion is the trusty power solution to help turn that dream into reality. Perfect for. How are the Companion 200W folding solar panel and Rover 40 lithium power station holding up after a year of use and abuse?

I have always been adamant that a good 12V system with dual batteries is one of the best additions you can make to a touring four-wheel drive. Charge it 3 different ways with a choice between AC, DC and solar so you'll always have power even if you're far away from civilisation.
