

# Fixed EPC General Contracting for Data Center Cabinets for Subways

## Overview

Flexible Solutions, Powered by a Trusted Network Burrow Global offers Design, Construction Management, and HSE Services for building deployment. As the general contractor, we manage subcontractors, suppliers, and schedules across civil, electromechanical, and support systems. Domaco-Encocorp provides full EPC contracting services to deliver turnkey data center projects. Time to market is crucial in the. CHOOSING THE RIGHT CONTRACT FORM: D&B OR EPC?

Given the specialist nature of data centers, data center owners and investors commissioning data centers typically look to employ a contractor with data center engineering expertise to act as a single point of responsibility to deliver both the design. Burrow Global is a uniquely positioned, full-service EPC company - we offer the comprehensive capabilities of a larger firm but can adapt quickly to client-specific needs. Strong Projects Start Long Before Construction Begins.
