

# Ranking of photovoltaic panel manufacturers LONGi Green Edge

## Overview

Recently, Bloomberg New Energy Finance (BNEF) released its Q3 2025 “Global PV Module Manufacturer Tiering List,” in which LONGi was again recognized as a Tier 1 PV module manufacturer. This reaffirms LONGi's continued leadership in the global photovoltaic industry. JinkoSolar is one of the largest solar panels manufacturer in. PVTIME - On 10 June 2025, the PVBL 2025 Global Top 100 Solar Brands rankings and the PVBL 2025 Global Solar Brand Influence Report were unveiled at the 10th Century Photovoltaic Conference in Shanghai, China. China-based company Longi secured top recognition for its technological leadership, reliable. At the key node of intergenerational transition of global Photovoltaic (PV) technology, the back contact (BC) cell technology is leading the new-generation PV technology paradigm revolution, becoming the core engine to drive industry cost reduction and efficiency improvement and realize energy. (Bloomberg) -- Sungrow Power Supply Co. surpassed Longi Green Energy Technology Co. as the world's most valuable solar sector company, as tumbling equipment prices squeeze margins for manufacturers of panel components. Hefei, China-based Sungrow gets the largest share of revenue from sales of.
