

Solar Container Housing Company

Overview

We have cleverly combined solar panels, shipping containers, and homes to offer an eco-friendly, convenient, and affordable new living solution. Modular design, can be assembled within a week. From innovative floor plans to green features, discover how you can easily achieve energy independence. These prefab solutions make unplugged living. Learn about our journey as a premier solar container solutions provider, our manufacturing facilities, and our commitment to sustainable energy innovation. Established in 2012 and operating from Shanghai, China, Shanghai LZY Energy Storage Co. Using a combination of 20- and 40-foot containers, we create unique, functional, and modern container structures. Over the past 10 years we have completed residential, commercial, industrial, federal, and state projects. We are a family. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar energy while at the same time being compact in design, easy to transport and quick to set up.
