

Solar power sentencing

Overview

The perpetrator of the largest criminal fraud scheme in the history of the Eastern District of California was sentenced Tuesday to 30 years in prison for his role in running a Ponzi scheme. Mendez sentenced Jeff. A California attorney has pleaded guilty to federal fraud charges tied to a massive \$912 million Ponzi scheme involving a solar energy investment company that deceived thousands of investors across the United States. The shocking case highlights how complex financial engineering and misplaced trust. SACRAMENTO, Calif. 9. In the two decades since high school, he'd lost one repair shop after another, filed for personal bankruptcy, and watched a lender foreclose on the small house in a California refinery town where he'd lived with his wife and two young kids. By 2007, he was 36, jobless, and adrift. Back in April 2024, Derek Carbajal of Lifetime Power Solar Company was arrested on seven felony counts and.
