

## Solar system prices in Vanuatu

### Overview

Solar panels 10 years ago use to cost VT1,200 whereas today's costs are around 50 – 70vt per watt. Off-Grid systems require batteries to store excess power that can be used at a later. In Vanuatu, grid power is one of the most expensive in the world. Our portable solar generators bring reliable electricity to even the most. How much does a solar system cost?

Costs vary based on your energy needs and system size. We offer free assessments to provide an accurate quote. Better Energy is finding solutions to finance your solar purchase At Better Energy, we believe in harnessing the power of the sun to bring sustainable and efficient energy solutions to homes and businesses.
