

Uninterruptible Power Supply Agent in Switzerland

Overview

Locate Uninterruptible Power Supplies (UPS) suppliers, manufacturers & distributors in Switzerland. Interactive map of Switzerland provided. We specialise in the planning, installation and maintenance of power supply and storage systems as well as compensation systems for our customers in Switzerland and for internationally active companies abroad. This. intreXis is a prominent manufacturer of high-efficiency DC/DC converters, offering a range of power supplies with input voltages from 24 V to 1500 V and output power between 50 to 500 W, tailored for railway applications. Our service team is available 24 hours a day, 7 days a week, 365 days a year to ensure the availability of your UPS. UPS systems are used as an effective protection of your equipment against disturbances and failures in the power grid. Uninterrupted switchover - the needs-based switchover from normal operation to battery backup operating mode is the core. Since 50 years, Statron is THE partner for uninterruptable power supply (UPS) solutions and battery systems. This success is based on.
